Figure 1 illustrates a graphical user interface for a search system. The interface features a central title bar labeled "SEARCH". Below this, there are four rows of input fields, each associated with an "ImageInfo" label (ImageInfo1, ImageInfo2, ImageInfo3, ImageInfo4). The first two rows contain the text "SOCCER" and "PERSON" respectively, while the last two are empty. To the right of these input fields are two columns of buttons. The first column contains "INCLUDE" buttons for each row. The second column contains an "AND" button for the first row and empty boxes for the others. At the bottom of the interface are two large buttons: "CLEAR" and "START SEARCH".
